Prestige Inhome Care's
Disability Support Services

With over 15 years' experience, Prestige Inhome Care is proud to be a registered NDIS provider, employing more than 500 support workers and Nurses.

As an approved NDIS provider, Prestige Inhome Care can support you or your loved ones, by ensuring you have the right services in place to achieve your goals and aspirations.

Our support workers can provide assistance with activities that will enable you to go about your day to day life, with choice and control.

> *"Our staff are passionate about building your independence and supporting individuals to achieve their goals."*

We employ experienced, qualified and highly trained support workers who are passionate about what they do.

Our team can assist with services such as:

- Support with daily living & getting ready for your day
- Support with social & community participation
- Travel support to get you to events
- Support with maintaining a healthy lifestyle
- Personal care such as dressing and showering
- Cooking & meal preparation
- 24-hour or overnight care
- Post hospital care

Services are available from a minimum of 2 hours through to complete 24-hour care.

Our client services team will work with you to ensure we provide you with the best suited support worker and flexible, tailored care plan.

We've been supporting people with a disability in the Barwon region since 2013 and are now excited to support participants throughout Inner and Outer Melbourne and the Bayside Peninsula.

Call us today on **1300 10 30 10** to speak to one of our team members or book a free, no obligation consultation if you'd like to discuss your options.
